

How to Feed a Pet

Do you have a pet? Pets need food every day. Feeding a pet is easy.

First, get the pet food. Dogs eat dog food. Cats eat cat food. Birds eat bird food.

Second, get a bowl. This is for the pet food. Make sure the bowl is clean.

Third, put the food in the bowl. Do not put too much food. Just a little is enough.

Next, give the bowl to your pet. Put the bowl on the floor. Let the pet eat. Watch your pet. Is your pet happy?

Last, clean the bowl. Do this every day. A clean bowl is good for your pet.

Remember to give your pet water too. Pets need water every day. Use a clean bowl for the water.

Feeding a pet is fun. It makes your pet happy and healthy. Make sure to feed your pet every day!
